

# UTAH OFFICE OF PRIMARY CARE AND RURAL HEALTH

## Utah Rural Health Photo Contest

### Putting the Focus on Rural Utah

The Utah Office of Primary Care and Rural Health (OPCRH) announces the **4<sup>th</sup> Annual Utah Rural Photo Contest**. We encourage you to be creative and share visually what “rural” means to you!

**Governor Gary R. Herbert** has declared the week of **November 15-21, 2015** as **Rural Health Week in Utah**, and encourages rural communities to celebrate with activities that improve the health of rural Utahns.

#### CONTEST DEADLINE

Contestants are welcome to submit one or more photos until 1:00 p.m. on Monday, November 16, 2015.

#### SUBMITTING PHOTOS

Please submit photos in a .jpeg format with a **minimum** resolution of 1920 x 1080 (prefer 2240 x 1680 or higher) to [opcrh@utah.gov](mailto:opcrh@utah.gov) and include your name, email address, organization name (if applicable), and the title and location of each photo in the entry form located at <http://health.utah.gov/primarycare/>.

#### PRIZES

First, second and third places will be awarded prizes from OPCRH.

#### JUDGING

Photos will be judged by the Office of Primary Care and Rural Health based on creativity, originality, photo quality, how well they communicate the concept of “rural,” and overall appeal. Winners will be notified by November 18, 2015 and photos will be posted on the OPCRH website, <http://health.utah.gov/primarycare/>.

#### USABILITY

Upon submission, all photos become the sole property of the Utah Department of Health and can be used for any purpose without credit to the photographer.

**QUESTIONS?** Contact Owen Quiñonez at [oquinone@utah.gov](mailto:oquinone@utah.gov) or 801-273-6620, or Ray Rodriguez at [rrodriguez@utah.gov](mailto:rrodriguez@utah.gov) or 801-273-6626.

**Use of copyrighted materials prohibited. Photos submitted must be your own work, royalty free and taken in 2015**

The National Organization of State Offices of Rural Health created National Rural Health Day as a way to showcase rural America and increase awareness of rural health-related issues.

Funds (100%) provided by the Health Resources and Services Administration (HRSA) grant award #U68HP11436 and #H95RH00129 through the Office of Primary Care and Rural Health, Utah Department of Health.
